

24th Annual Society for Pediatric Dermatology Pre-AAD Meeting

Thursday, March 15, 2012 • San Diego, CA

Call for Case Presentations

Attendees are invited to submit case presentations for the Cases of the Year segment of the 2012 Pre-AAD Meeting. Ten (10) cases will be presented on Thursday, March 15 in San Diego.

Cases of the Year include cases with a known diagnosis, diseases that were difficult to diagnose or cases presenting management challenges. These cases should have attendant teaching value. Selected cases will be given four (4) minutes to present their cases, followed by a two (2) minute question & answer period.

Case summaries must be submitted through SPD's on-line case submission system. Please visit www.pedsderm.net for full details.

Deadline for submission: January 16, 2012

Authors of selected cases will be notified: February 3, 2012

\$1,000 Travel Award Available

Travel awards are now available on a competitive basis to fellows, residents, and medical students who present Cases of the Year at SPD's Pre-AAD Meeting. This is an effort to encourage participation among trainees interested in pediatric dermatology and helps provide recognition for exceptional work as well as financial assistance to attend the meeting. There will be one (1) \$1,000 award available for the 2012 Pre-AAD meeting in San Diego. Members who qualify will apply through the SPD website at the time of submission of cases. The SPD's Awards & Goals Committee will evaluate the quality of the case, focusing on whether it presents "new" information, is relevant to care of children with skin diseases, quality of data, and approved consent process.
